If you tickle
Bunnie just
right, she

Fuck Like a Bunnie

Dear Virgin Territory,

I'll tell you, it seems like these teen girls know more than us old fogeys these days, what with the Internet and all. I had no idea what the hell Bunnie was talking about in her layout, but I sure enjoyed looking at her. And I can appreciate that even at a young age she has exotic tastes. I don't know anything about Japanese comics about hermaphrodites. All I know is that I like sweet teen pussy, and that's what Bunnie has. She says she likes tickle play. I wouldn't mind tickling her insides with my dick. She also says she likes to eat pussy. Pair the girl up with another cutie so she can lap up her pussy. Or better yet, get Bunnie in a three-way with another guy and another girl. She seems like she'd be right at home with that. In all honesty, I'm happy to see her any which way, but if she's so kinky, you might as well take advantage of that.—T.C.H., Mount Pleasant, South Carolina

Dear T.C.H.,

Bunnie has a hardcore layout coming out soon. And while we don't have her in a three-way or with another girl, her hardcore scenes are pretty steamy. You can see one of them in Lil' Pissers 2, available for order on page 99, and the other one online at 18eighteen.com.

Giving to Charity

Dear Virgin Territory,

Charity from the Oct. '17 is sexy as fuck. She should have been the cover girl. The girls you did select for the cover are cute, but Charity is a real standout. She has the perfect body and a beautiful face. Those round, perky tits of hers are just the right size. I'd love to squeeze and suck them. And you couldn't ask for a better tight, little ass than the one she has. Her pussy and asshole are naturally beautiful and delicious looking. I could lick both her holes for hours before fucking her into next Tuesday and giving her as many orgasms as she could stand. Please show us this beauty getting stuffed with cock as soon as possible. I need

to see that pretty face of hers drizzled in cum.—Z., via email

Dear Z.,

Charity is beautiful enough to be a mainstream model, but we're lucky that she decided to do porn instead! Don't worry; you'll be seeing her in hardcore soon. Here's a sneak peek of it.

The Ukrainian Jewel

Dear Virgin Territory,

I just received my second issue of my new subscription to 18eighteen magazine, the Aug. '17 issue. You still have one of the hottest teen magazines in the world. I only wish it would be published every month. Thank you for publishing my letter, "Lusting for Lezzies." I hope we get to see a lot more hot lezzie layouts in the future.

This Aug. '17 issue has the hottest and sexiest redheads that have ever been in 18eighteen mag. Clarise has nothing to be shy about. She has as hot and sexy a body as any woman could ever want to have. She is very stunning, from her beautiful red hair, her gorgeous green eyes, her cute little nose, her luscious lips and beauti-

Here's a preview
of what's to cum
with Charity.

This was reader K.C.'s favorite picture of Clarise.

ful smile, down to her great looking breasts and cute belly button. Then she's got those hot buns and fantastic looking pussy and butthole. She has very sexy legs and beautiful feet and toes that I would love to suck on. I would love to nibble, kiss, lick and suck every inch of Clarise's hot body. She is very special.

Clarise has one of the hottest and sexiest photos that's ever been in your mag, if not the hottest photo ever, on page 24. I would love to

slide all 10 of my fingers into that beautiful butthole and suck them clean to see if this gorgeous, sexy Ukrainian gal tastes like a Reese's Chocolate Peanut Butter Cup, a Milkyway, a chocolate brownie or whatever chocolate treat. I'm sure Clarise

has a very tasty butthole and pussy, whatever the flavor might be. She also looks very hot on page 25 with her big clit and beautiful belly-button. It would be an honor for this German/American guy to pop the cherry of such a beautiful Russian/Ukrainian lady. Then I'd give her another powerful orgasm by slipping my thick, long cock slowly into her butthole after my fingers had stretched her sphincter, going deeper and deeper with each thrust, so deep that my balls massage her pussy and clit. Anal sex can be a great sexual experience for a young girl if it's done just right and done in different ways to give her a lot of sexual pleasure.

Well, I hope we get a lot more of Clarise in the years to come. She is as beautiful, hot and sexy as a woman can be. It would be great to be around her every day just to talk, hold hands and kiss, even if she wanted to be a virgin forever. She's very shy, like I was when I was younger like her.—K.C., Anamoose, North Dakota

Dear K.C.,

We hope we get to see more of Clarise too. In the meantime, here's that photo of her that you liked so much. If you'd like to see the video version of that scene, log on to 18eighteen.com.

Harley's a Bull's-Eye

Dear Virgin Territory,

I messed up my copy of the Oct. '17 issue because of Harley. I was jacking off to her pictures and I came all over them. Suppose I wouldn't be able to get another copy, would I? Haha. Usually I try to aim away from the magazine because I like to collect them, but there was something about Harley that got me extra excited. It could've been her meaty pussy flaps spread open and expos-

ing the pink inside. It might've been her smoking hot body. Whatever it was, it made me shoot all over the damn place. Now that her pictures are ruined, you'll have to feature her again so I can enjoy her photos and have another crazy jack session. This time I'll make sure to aim away from the magazine.—K.P., Tulsa, Oklahoma

We're sorry you soiled your magazine, but happy that Harley was able to provide you with a great orgasm. We'll see what we can do to get her back in here for another shoot. If you can't wait for that, check out her masturbation scene in Pussy Show 2.

August Beauties

Dear Virgin Territory,

I recently got my Aug. '17 issue and boy, it's a good one! I've been a subscriber for over two years now, and I think you're getting better and better! The girls you find are even cuter and they're willing to be dirtier and sexier. Great job!

Looking at the Aug. '17 mag alone, you've got some of my favorite girls. Nerdy looking Cece (p. 44) in her school uniform and black-rimmed specs peels off to her bare essentials,

Don't miss the next issue of 18eighteen!

The April '18 issue will be on-sale February 6, 2018. Look for it on newsstands, order it from eboobstore.com or get your subscription on page 4!

revealing her stunning C-cup tits. Her boobs are some of the best around—rounded, perky, perfect nipples—and we finally get to see her fuck. Shit, the way her labia wrap around that guy's tool makes my heart race. And her smile as she looks at the camera with her face plastered with cum is pure ecstasy!

Next is nerd-turned-slut Lizzy. I loved her in *Fuckin' Nerds 2* and how she loved to get both sets of lips—mouth and pussy—stretched by the stud's monster dick. She also loved his thumb plugging up her tight asshole, too.

For me, your best recent find has to be the utterly gorgeous Blaire (p. 63). She is the real deal for me, the complete package—a 10. Her sparkling brown eyes and her knowing yet cheeky smile make my heart melt and my dick throb. Her body is supreme. She's a tall girl and in perfect proportion—a tight, rounded ass showing off her puckered butthole. Boy, what a treat! Her full boobs and hard, little nubs are just made for squeezing and sucking. I see she's talking about going home to Virginia, but guys, do whatever you have to do to get her back to Florida for more naughty fun. She's a total gem!

It's so cool to meet the lithe and limber Hailey (p. 77). Another cutie pie with a pretty smile and perky tits. I'd sure like to work my tongue around her ass as she sticks her winking butthole in my face. She has a perfect girl-next-door look and I'd love to see more of her with some toys and maybe another girl. Maybe get her together with the other new-cummer, Megan (p. 36)—another

sweetie eager to open up her little pussy and vice-like asshole for her fans!

One final girl I'd like to mention is the stunning Naomi (last seen in the April '17 issue). Her hardcore scene just about blew my mind! Her juicy pussy lips wrapped around the guy's huge cock sent erotic shivers down my spine, and the photo of her with legs behind her neck as she gets stuffed reverse cow-girl is one of you best ever! She looks so like Daenerys from *Game of Thrones*. I can never watch that show again without thinking of sweet Naomi in this photoset.

A couple of things I'd like to suggest. Firstly, I'd really like to see some more girls with sex toys—dildos, anal beads—and I have a thing for girls in choker necklaces and ankle bracelets too. Also, I don't mind little tattoos, but please keep out the larger designs, and definitely no piercings. As I once heard a wise man say, "Would you put a sticker on a Ferrari? No, it's perfect the way it is. The way God intended."

Lastly, please keep the magazines special. Part of the excitement for me having a subscription is when the new issue hits the door—

Naomi looks like Daenerys from the show *Game of Thrones*.

mat, opening the wrapper. Turning the pages, the photos have a more personal side to them. Maybe it's because the girls look straight into the camera at you, or just the fantasy of "filling in the gaps" of the photo-shoot. It's something that you just don't feel online or in a video. This is why I love the magazines so much. You guys are amazing and the best around. Keep up the good work and here's to another two great years of my subscription!

PS. I also really like seeing the girls getting wet with their pussy juices. Let's see more of it dripping down her thighs into her taint and buttohole! I'd also like to see the return of panty giveaways!—N.S., Berkshire, United Kingdom

Dear N.S.,

You'll be happy to see that Blaire is sucking and fucking in this issue starting on page 44 (XXX in International editions only). Alex from the April '16 issue wears a choker, and we can certainly include more girls using sex toys. Thank you for your letter, and we hope that you continue to enjoy your subscription to 18eighteen.

Alex's choker is from the early '90s. It's older than she is!

MILA
Busty
Bathtime

Is there anything nicer than a fresh-faced teen with a juicy rack?

Mila's a bit different from the girls we normally feature in *18eighteen*. Most of our models are flatties, but Mila is busty by comparison. And while we love our tiny-titted cuties, we appreciate top-heavy teens like Mila too. Variety is a good thing. Even though her tits are more than a handful, her face is sweet and innocent. And she'll always be petite. Any weight she gains goes straight to her chest, leaving the rest of her figure trim and taut. She's fresh, tight and cute. Sounds like a grade-A teen to us.

Do you dress to show off your boobs?

"Yes. I like to wear push-up bras and low-cut shirts. When my boobs first grew I felt uncomfortable with all the looks that I got, but now I like it. I used to wear baggy shirts to try to hide them, but I didn't feel sexy like that. I realized that being proud of my body and showing it off made me feel sexy. Especially when the boys started to notice. The girls didn't seem to like it too much. They got jealous and spread rumors that my boobs are fake because they grew so fast, but they are 100 percent real. Anyone who touches and squeezes them can tell that."

**Do you like to play
with your boobs?**

"Yes, I like to rub and massage them with soap when I take a shower. I like to pinch and suck my nipples when I masturbate. But I like it more when someone else plays with them. I love it when a guy cups and squeezes my boobs."

A woman with long brown hair, wearing a red headband, a green cable-knit sweater, and a red ruffled skirt, is posing in a Christmas-themed setting. She is looking over her shoulder at the camera. The background includes a blue wall with a red and gold decorative element, a red Christmas ornament, and a green garland. A white fireplace mantel is visible on the left.

Kristin couldn't understand it. What did it take to hook up on Winter break? It wasn't like she wasn't willing to go all the way, or do just about anything in between. All she needed was a guy. But time was running out, and without a boy willing to share his dick with her, she felt like the ghost of...

Krissmas Yet to Cum

By Joe Monks

Kristin had noticed the crowd thinning, but had tried not to pay attention. Most of the places in the food court were already closed, employees hurriedly cleaning up, eager to leave. Carly had suggested they head on back to her house a couple of times, but Kristin had managed to put her off. Now, though? The mall was shutting down for real. Sunday afternoon wasn't over yet, but on Christmas Eve? Even the mall closing time was working against her.

"You really wanna stick it out 'til they make the 'Closing in five minutes' announcement?" Carly asked. "We haven't even bought anything since lunch!"

Kristin felt guilty, but not that guilty. It wasn't like they had anything better to do, and she hadn't been focused only on herself. Hadn't she tried talking up those cute guys from OSU? Or the guys she'd challenged to 3D Foosball at the arcade? True, they'd gotten destroyed, and two of them had met up with their girlfriends. But, hadn't Carly agreed in the bathroom that she would gladly have dropped her panties to ride the nerdy guy's face until her juice was bubbling out of his mouth? And that if his buddy wanted to join in, he could've stuck his cock into her—

"Hell-ooo! Earth to Kristin, come in, Kristin!"

"Sorry, got sidetracked," she said, eyes still darting around. Maybe, just maybe...

"Sidetracked? By what? This place is deserted!"

Carly was right. Kristin's stomach fell. They'd spent the whole day here, and sure, they'd gotten some shopping done. But she hadn't come looking for last-minute gifts. She'd come looking for guys. More accurately, she'd come looking for dick.

She shrugged. She could explain, but it didn't matter. Carly would have thought her nuts, trying to hook up on Christmas Eve, even though she was in the market for a boyfriend, too. Having had a couple in the past few months, though, she wasn't feeling what Kristin was feeling. Which was: desperate. Carly held the advantage in just about every category. Bigger boobs.

Thick, curly hair. Kristin thought she was close in the ass department, but still, Carly had a butt that looked good enough to eat, especially in those tight shorts she wore during the summer. Kristin? She didn't think she could get away with shorts like those, even though Carly had offered to lend them to her. More than once. Carly was taller, had fuller lips and she had attitude. Guys went out of their way to talk to her. Kristin, on the other hand, was shy and nervous and was lucky she could even pass for 18, despite that birthday being several months in the rear view. Which brought her to the final item on her checklist, the one area she was ahead in...unfortunately.

Cherry. Kristin: 1. Carly: 0.

She tried not to be jealous, really, she did. But that didn't make her feel any less glum as they left the mall.

She even sized up

is it? What the heck is wrong with you today?"

Carly turned on her, hands on hips. Even through her winter coat, Kristin was impressed. Carly's tits really stuck out. Not for the first time, Kristin wished she was a lesbian. Carly wasn't, but Kristin was sure her best friend would spread her legs for another girl if the opportunity presented itself. Carly loved having her pussy eaten—a secret she'd shared with Kristin nearly a year ago, when Carly had let her then-boyfriend, Gabe, go down on her. She and Gabe hadn't lasted long, but Kristin had heard about every sex act they'd tried. Gabe wasn't very experienced either, even though he was in college, but he sure went down on Carly a lot. Kristin had been jealous then, that she couldn't deny. But she'd rooted her friend on, hanging out with Carly every time she and Gabe went to a party or anywhere she wasn't third-wheeling. Even then, though, she hadn't been able to hook up. During the summer, when Carly had given her virginity to

She'd come looking for guys. More accurately, she'd come looking for dick.

Cory Dennard, Kristin had been on her second—and last—date with Matt. Matt, who was now going steady with the head cheerleader. Kristin's shoulders fell.

"A guy," she admitted.

"Huh? A guy?"

What guy?"

"Any guy," she blurted, turning away, afraid she might cry.

"I...I was hop-

the security guard on the way out. Could tell he had nice junk. But nope. Wedding ring.

"Think there's anything good playing at the movies?" she tried, her desperation surfacing. The parking lot was barren. Only a handful of cars remained.

"Krissy, what

ing to, y'know...meet somebody."

Carly sidestepped so she could look her in the eye. She could see it in her face, Kristin could tell. Carly could see just how bad she felt having come up empty.

"So that explains it," Carly said. "The guys at the food court, and at the arcade. Kris, what's the big deal about meeting a guy?"

"Big deal? That's easy for you to say. You've gotten fucked. You've had a guy get you off with his mouth! You know what jizz tastes like! You know...all that stuff."

"Geez, Kris, I'm sorry. I didn't know you were so uptight about it."

Kristin was already walking to the car,

Everyone who had someone would at least have a chance of getting laid.

though. Oh well, she thought. At least she'd tried. She'd done everything she could. They'd go back to Carly's house, where she was staying for the holiday break, and she'd get up in the morning and have a half-Christmas. Carly's dad would take a bunch of pictures with his new cell

phone, since he'd gotten two, one he'd given to Carly early. Then, when she went back home on Tuesday, she'd celebrate with her own family.

Without having a guy even hold her hand, much less kiss her, undo her bra and feel her up. Was that so much to ask?

For a guy to play with her boobs? Maybe suck her nips a little?

"Y'know," Carly said. "We can try tomorrow. There'll be plenty

of guys out tomorrow night."

Kristin nodded. It sounded good, and Carly would definitely try. But Kristin didn't hold out much hope. Christmas Eve was bad enough. Christmas Day? Guys would be out all right, taking their girlfriends to the movies, or out to dinner, before going somewhere they could get naked together. Snow was coming, and half the town would be closed down. Everyone who had someone would at least have a chance of getting laid. Hell, even just fingerfucks and blow jobs would

be happening all over the place. That's why she'd tried so hard to meet a guy today. Today, she was sure, had been her last chance.

Dinner was great. Carly's dad made a small turkey with all the trimmings and homemade custard for dessert. Kristin was thinking about sneaking into the kitchen to help herself to another serving after slipping Carly's presents under the tree.

The living room was still aglow, the fire stoked and crackling. She padded to the tree, spreading the presents around and examining her work. Perfect. Time for custard.

"I thought you were supposed to have a fuzzy red suit."

She spun, surprised. Carly's dad stood there, grinning. He must've had the same idea she had. He was holding a

bowl from the kitchen.

"Sorry, that's the other guy," she shot back. "I didn't pack anything like that. Just my jammies."

Boy, she was glad she'd worn them now! She'd almost come downstairs in nothing but her pajama top and bloomers.

"Well, jammies're close enough, I guess," he said, holding up his phone for a picture. Kristin leaned toward the tree and put a hand on one of Carly's presents.

"Custard!" she said instead of cheese. Paul, Carly's dad, liked the results.

"Take a look."

Kristin went over.

Paul was already getting good with the phone. He'd taken some practice shots before dinner that had been all right, but this one had really come out nice.

"Ooh, can you send that to me?" she asked. She never thought she looked good in pictures, but this one was definitely worth keeping.

"You look really nice," Paul said, tapping buttons. "What

do you say we take a couple more?"

"Sure. How should I pose?"

"How about kneeling by the fire with a present?"

"Cool!" Kristin said, and got into position. She had a box with a big bow on it in front of her. Paul snapped away at his muse.

"Hey, why don't you put that bow in your hair. It'll look cute."

Kristin giggled and pressed the sticky pad to her head, extending her arms and smiling big.

"How do I look?"

"Hot."

A beat passed. Uhh...had Carly's dad just called her hot? The phone clicked again. She shrugged it off. Maybe she'd misheard. But...hadn't he said she would look cute just a minute ago?

"Okay," she asked. "How should I pose next?"

"How 'bout...topless?"

She didn't react. No way had she misheard that. Topless. Carly's dad

HANNAH

Boneable
Blonde

This Southern belle keeps it simple.

Meet Hannah, an all-American girl from Georgia. Her sparkling green eyes, dimples and tiny tits will make her a fast favorite with readers. Hannah says that her style is simple and innocent, and you could say the same is true for her personality. She enjoys simple pleasures like drawing and painting. She doesn't masturbate much, and when it comes to sex she's a doggie kind of girl. As for being innocent, she has the look, but she's ready to get naughty. "I'm not a virgin, but I'm not that experienced either. I'm ready to change that."

What kind of sexual things are you looking to try?

"I'm really curious to try anal. The times that a guy has licked my butt-hole or fingered it, it felt really good. I don't really masturbate very often, but when I do I have a buttplug that I like to use. It's practice for when I finally do try anal. Sometimes I'll just leave it in my butt all day because it makes me feel naughty to know that it's in there. Then I'll come home and take it out when I'm in the shower and it feels really good. So I think I'm ready to get the real thing."

HEIGHT: 5'3" **WEIGHT:** 100 lbs.
BRA SIZE: 32A **BORN:** Sept. 13
LIVES: Lakeland, Georgia

How often do you masturbate?

"I do once in a blue moon if I get really horny. I know this might sound weird, but I get turned on by not masturbating when I'm horny. It's like I'm teasing myself and it builds up. Then when I finally have sex it's really, really good."

CHLOE

Pick her up and toss her around!

Chloe is tiny and she likes to be manhandled. That means that you can pick her up and flip her around any which way you like during sex. She's your little teenage fuck doll, and that turns her on just as much as it turns you on.

Tell us how you like to be fucked.

"I like a lot of foreplay. Giving blow jobs and lots of pussy eating. I want to have at least one orgasm before we have sex so that I'm nice and wet for his cock. One of my favorite parts of sex is when the guy first puts his cock in, so I like him to do that slow so I can really enjoy it. After that I like to get pounded till I scream. I want to hear the sound of our skin smacking together and the headboard beating against the wall. Getting on top is also fun. I'm a rough rider. Sometimes guys are afraid to go hard with me because I'm small, but I can handle it. And I can go all night."

Have you ever fooled around with girls before?

"Yes. My best friend and I used to spend the night at each other's house all the time. We were both always kind of wild, so it wasn't long before we started experimenting. She was my first French kiss! And then we started going down on each other. It was easy because our parents never suspected anything, so we could fuck each other all night long without having to worry about getting caught. One night she did sneak a guy into her room and we had our first three-way with him. It was hot while it lasted, which was only like two minutes. The guy got too excited. So she and I finished each other off."

The principal has a message for Blaire.

He calls her into his office to tell her that she's the best in class! But he isn't talking about her grades so much as her tits and ass. Flattered, she lets him free her perky boobs from her sensible top. Things are getting hot and Blaire is shy yet intrigued.

This good girl can be bad too.

As best in class, Blaire wants to prove to her principal that she's ready for all the antics in college. If she can take a pounding from his huge cock, she can handle anything. Blaire moans and her titties bounce as he drills her cunny. The principal turns Blaire upside down and fucks her in the piledriver position. It's a proper college send-off for this grade-A student. You can see Blaire get her brains fucked out in this scene in *The School of Hard Cocks 2*.

How do you like the principal's cock?

"I love it. It's so big and hard. Now I feel prepared for anything. If I can handle his giant cock, I can definitely handle any of the cocks I'll get in college. My only worry is that they won't live up to the principal's dick! I've been spoiled."

Carolina will ease your tension.

An older businessman is stressed out from work and Carolina is happy to give him some relief. She's tanning by the pool and tells him to rub oil on her body. Her perky, glazed tits are glistening in the sun and Mr. Businessman can't help but squeeze them like they're stress balls. He's starting to relax. Carolina introduces his cock to the back of her throat. It's a slobbery affair, but now that his dick is coated in spit it's as wet as her pussy. Time to fuck!

Do you have a thing for older men?

"Yes, I definitely do. They give me butterflies in my stomach. They know how to take control and do exactly the right things to make me cum. When I'm around a sexy, older man, my panties get wet and I almost can't resist the urge to flirt with him. It's gotten me in trouble with some married men before. Wives should keep their husbands away from me because I'm going straight for their cocks. This guy gave me a rough fuck, and I loved it. He put me in all kinds of hot positions." wanted to take a picture of her half-naked. Her best friend's dad! Could she? Could she really?

She started unbuttoning her top.

"How's this?" she asked, the shakiness in her voice unmistakable. She had goosebumps, but not because it was cold. The fire was warm on her back. Her bare back. Her nipples were warm, too, but hard as icicles.

"Gorgeous." Click. Click click click.

She didn't wait for more instruction. Instead, she got to her feet and slid her bottoms off. Now, all she had on were her striped socks and bloomers. And the bow.

"Hmm," Paul said, pursing his lips.

"What?"

"They don't work."

"What doesn't work?"

"Your panties. Not right for the shot. You should take them off."

Kristin gulped. If she did what he asked, she'd be all but buck naked. But she couldn't help it. She had tingles in places she'd been desperate for a guy to spark in her for months. She tugged at her bloomers.

"You mean, like...this?"

Slowly, she worked them down. The cell phone shutter went wild. When they were totally off, she snapped them at him like a rubber band. He took the pic with one hand, and plucked them out of the air with the other. Eyes still on her, he held them to his face and sniffed.

Kristin thought her knees might buckle. The pictures? The pictures were one thing. Having naked pics of a girl to jack off to was one thing. Doing something that intimate to her bloomers, though? That was something else entirely. Something that got her moist down there. No, not moist. Soaked. Her pussy was dripping.

"Didn't you get a little standee-thing with the phones?" she asked, feeling the wetness trickle between her thighs.

"Yeah, a tripod. Why?"

"So you can get into some shots with me. Maybe even, y'know...take some video?"

No way. Had she really just told Carly's dad to set it up so they could shoot dirty videos? Impossible. She'd just been fantasizing about it.

The video was on and she was standing there naked in a homemade sex tape, with Carly's dad working over her boobs while he struggled out of his workout pants.

"No, let me," she said, pulling her tit out of his mouth and dropping to her knees, yanking down his pants and boxers. Paul's cock bobbed up. And, there was plenty of it.

Did she dare? She wanted to. Wanted to so bad. Still, he was her best friend's dad. And the reason she even had a best friend was staring her in the face.

"I can't wait to see you suck it."

Decision made. If Paul's cock could give her Carly? It could give her a first chance to give head.

She slobbered all over it. Got it good and slippery with her spit. Let her fingers linger on his shaft, enjoying the feeling of her first dick. Her twat leaked into overdrive.

Just having his cock in her mouth was enough. She twitched a little, closing her lips around it, her muscles clenching down below. The salt in his pre-cum was delicious. Just like the feeling of the little orgasm that had

just kicked her heart rate up about a thousand percent.

Kristin had never practiced before. She'd dreamed about her first blow job, but it wasn't like she spent nights locked in her room trying to deep throat a banana. Now, though, she wished she had. Paul's prick was hitting spots at the back of her throat nothing had ever hit before. When his hands came to rest on the back of her head, she was worried. Nothing Carly had told her about cocksucking could prepare her for this.

He didn't force it, which made her try even harder. When she gagged on his rod, it was due to a bit of over-enthusiasm on her part. After she'd gotten hold of his balls with one hand and the hang of jacking his shaft with the other? She wasn't actually trying to deep throat him, but...well, maybe just a little.

More pre-cum oozed out of his tip. What would a whole mouthful of that taste like, she wondered. Gabe had blown his wad in Carly's mouth a couple of times, but even though she wasn't a spitter, Carly couldn't really describe what it was like to swallow

jizz. Really going at it now, Kristin was sure she was about to find out. Paul's ball sac was stretched taut in her hand, convincing her she was about to feel a warm wave of semen flood her mouth.

Of course, it didn't quite work out that way.

"You look great on your knees," Paul said, tilting her chin up so she could see how much he was enjoying her efforts.

"I'mehgladth you ambpprovuh," she managed, speaking around his shaft. She didn't want to risk taking it out of her mouth, even for a second. With her luck, that would be how it ended. She'd pull it out just to say something sexy, and miss tasting it because it'd become a facial instead. True, if Paul wanted to cum on her face, she'd be down with that. Her belief, though, was that guys liked to shoot in girls' mouths every chance they got. According to Carly, Gabe came twice as hard when he jizzed in her mouth.

"Even so, though," Paul broke in, surprising her. Not enough to keep

her from trying to drain his nuts in her throat, but still.

"I'd love to see you on all fours."

All fours? Kristin didn't have a problem with that. It might not be as comfortable, but she could definitely finish sucking him off that way if that's what he wanted. She'd still scratch several things off her sexual scorecard, meaning she wouldn't be trailing her BFF in so many categories. Okay, she decided, reluctantly taking her lips off his cock.

"No," he said, interrupting her in mid drop-down. "Turn around. I wanna get a look at that fine ass."

Given that she'd long thought her butt was the best thing she had going for her, she took the request in stride. Glancing at the phone as she turned, she tickled her upper lip with her tongue and tried to look like she knew what she was doing, winking as her palms hit the carpet. When Paul didn't immediately come around to stand in front of her, she glanced back over her shoulder, shocked by what she was seeing. Paul was still back there. Only, now he was on his knees, too. Holding his penis. One hand planted on her exposed backside.

"Wait! Are you gonna—"

But Paul didn't wait. And when his thick cock pushed between her lips in a totally different way, then probed her snatch even deeper, finally leaving her gasping, her hymen shredded, Kristin, too, felt like she'd gotten an early Christmas present. When there was a brief hesitation, Carly's dad's brain catching up to his dick's discovery, Kristin took charge.

"Un-unh," she said. "Don't even think about it! You started to fuck me, you better keep going 'til I cum!"

Paul, who hadn't even considered that Kristin could be a virgin, was happy to comply with the demand. His broad smile allayed any concerns she had that he might be having second thoughts.

"Doggie style," she sighed, Paul plowing into her to the balls. "I am always gonna remember this!"

"If you did forget," he reminded her. "We'll always have the video."

"That's right!" she exclaimed, making sure what the camera couldn't

pick up was captured forever. "I'll be able to watch you pop my cherry whenever I want. Slow-mo... unnnnnhh...in high-def."

Kristin groaned, closing her eyes and focusing on the pounding he was giving her. Her love tunnel ached with the throb of muscles never before pushed to their limit. Her teeth ached too, from grinding them every time Paul bottomed-out in her hole. Sex, she thought, still having a hard time believing it was actually happening. She was having sex! She was getting hammered from behind for the first time on Christmas Eve! What more could she wish for?

She was so consumed by the joy of getting laid that she was caught off guard by the climax that when it hit her, she almost lost all control.

"Uh, uh, Pau-uh-ng-gh-aa-A-AH!"

She bit her fist, terrified of ruining things by waking Carly up. That, she didn't think she would ever be able to explain. But the cum. It was so intense. She pressed her face into the carpet, howling in ecstasy. Even that, though, didn't seem like enough. She threw her head back, another wave of raw, primal lust threatening to push her over the edge. Paul put his hand to her mouth, his fingers sloppy with the scent of her box.

No, wait. Not his fingers...

Kristin bit down, shrieking around what he'd stuffed into her mouth. Her drenched, pussy-soaked panties.

She couldn't help but be turned on, ecstatic that he'd thought of them. She jerked, another orgasm wracking her from head to toe. His cock felt huge inside her, and she had an idea that he wasn't far from his own moment of truth. Huffing, she looked at him. Saw that she was right. Caught a glimpse of something else, out of the corner of her eye. Then it all clicked, just like a snapshot. She reached between her legs and cupped his balls.

"You almost there?" she asked. "About ready to jizz for me?"

"I'm so close, Krissy," he said. Clearly, every stroke was an effort now. Kristin let go of his sac, teasing him with her fingernails before lurching forward, letting his cock slip free of her folds. She pushed him back, almost knocking him over. Now he was on all fours too, supporting himself on his hands, back arched, dick standing straight up.

"My mouth. Now!" she demanded,

pointing. "Fill it!"

He gaped at her while she went back down on him, jacking him furiously. If he hadn't already been on the verge of blowing his load from fucking her, he was now.

"K-Kristin," he grunted, clearly on the brink. "I, I'm gonna—"

"Custard," she told him. "I want another...serving...of...cus-tard."

Novice though she was, the suction was something he couldn't hold up against. One, two, three tip-to-pubes trips down his bone and that was all. He thrust deep into her mouth, rope after rope of nut butter pouring down her throat. The taste of his cum, hot and thick on her tongue, was enough to get her off one more time.

Mouth open, Kristin bucked, Paul still spurting like a teenager. She reached for him but missed, jism spraying her right cheek. By the time she managed to corral his pulsing prick again, cum was dripping off her chin, running down her wrist and slimy between her fingers.

"Ooh," she whispered. "It wasn't this messy when it was in the bowl!"

"You...want me to get you the spoon?" he offered, another gush of goo erupting from the tip of his dick. Lips smeared with spooze, Kristin shook her head.

"Nah, I think I can handle it."

She ran her tongue along the base of his shaft, taking him back down, guzzling the last of his wad with a loud, emphatic slurp.

They ate breakfast while opening presents, with boxes there for all of them. Kristin had bought Carly's dad a baseball cap with the Rams logo on it, his favorite team. He had gotten her a pair of earrings that Carly had suggested she would like. When they'd finished up, Carly and Kristin went outside to watch the snow fall.

"It sucks that you're going home tomorrow," Carly said. "I wish you could stay longer."

"Yeah," Kristin agreed. "Who knows? Maybe we'll get snowed in! Wouldn't that be cool?"

"You know, I was hoping to go out this afternoon. But, it would be awesome to get stuck inside tonight. We could have so much fun!"

You have no idea, thought Kristin, saying a silent little prayer for a blizzard. No idea.

KARLY
Boned
Braceface

Karly is both sweet and naughty.

Karly has braces, puffy nipples and a puffy pussy. It's the trifecta of teen awesomeness. And her sweet, girl-next-door demeanor is the cherry on top. In this scene we get to see what the nice, nerdy girl looks like when she fucks. And it's pretty damn hot.

HEIGHT: 5'2" **WEIGHT:** 116 lbs.
BRA SIZE: 32A **BORN:** Dec. 7
LIVES: Tacoma, Washington

Her shy side melts away once she gets cock.

Karly isn't much of a talker, but she is a moaner. Especially when she's getting pounded while her fuck-buddy diddles her clit. She's a passive girl, happy to let the guy do as he pleases with her pussy. We see her flash that braceface smile when she rides his cock and again when she takes his load in her mouth (turn the page to see that pic). You can see it all in *After School Slut Club 5*.

**Have you ever
fucked in a
classroom
before?**

"No, this was a first for me. I knew being the only girl in the circuit building class would pay off! All the boners and loads of cum are mine!"
